South Canadian Amateur Radio  
Society

12 June 2004

The meeting was called to order by President KD5DOB with 24 members and guests in attendance. The minutes of the previous meeting were read and approved. Treasurer KT5OK was not present but made a report available and as of now we have \$xxxx.xx in the bank. It was mentioned that we might have to budget for some more baseballs for KD5JPL to use for the placement of dipoles in trees.

Repeater Report: All seems to be ok. However it was suggested that in the future we might look into Xmit tone so that those that wished to could block out Pryor, Dallas and the like.

CORA Report: N5KUK will attend the meeting this afternoon. He did tell us that each table purchased would come with only one chair. Others would be \$2. Also the prize list has grown to include an IC 706 MK2, IC 2100, MFJ 259B and other items. Tickets will be available up until the next meeting.

VE Team: There was one person at the test session. He was able to show CW proficiency via a Novice license and then passed the Technician test successfully.

Net Reports: Our ARES net attracts 12 to 20 check-ins each week and the 10M net hosted by N5HZX has been

running 6 to 10 check-ins. Join in for some fun.

Equipment Reports: K5JVS has a TS450S HF rig for sale and N5AQ has a Ameritron amplifier for sale.

Field Day 2004: Sign up sheets were passed around for those that could help with Set-up, Tear-down, Food service and the Voice, Data and CW stations. If you can only attend the event during a certain "window" either on both days, please check with us as to when that might be so we will have some idea of what operators will be available.

President Bill announced that at the Tues the 22<sup>nd</sup> of June City Council meeting at 6:30 PM, that week will be proclaimed Amateur Radio Week in Norman. The more members we have there at the meeting the better. It will take place early in the meeting so you won't have to stay for everything.

Club Patches etc:

Members were able to turn in any shirts for embroidery work or order patches from the Cochran's.

The meeting was adjourned.
